EARNEST, THRILLING, SPARKLING

AND HUMOROUS—THE BUGLE-CALL. Containing nearly Fifty Stories, all original, and designed for the amusement of boys in accomplishing their objects; with Arousing and exciting to loyal action—that we feel confident we are doing a service to the cause of Union and Right when we urge all boys singers to get it and sing its songs at home, in the social gathering, at the public meeting, in the schoolroom, and in the field. The songs are arranged in one, two, three and four parts, for mixed or for men's voices, with instrumental accompaniment to some of the tunes.

There is also one option of the Bugle-Call, and that is to strike up the national anthem if you will take the trouble to examine it, you will see that the best songs are not a whit less there, and we assure you the new ones are not a whit less.
